Silly Sentences

As you are riding in the car, play a silly sentence game. First see how many "A" words you can use to make a sentence. For example, "Adam the aardvark ate apples, apricots, and avocados all afternoon." Then have your child help you with a "B" word sentence. This is also a fun activity to play while your child is waiting for a dentist or doctor appointment.

Letters in the Refrigerator

While you are cooking dinner, play "Find the Letters." Your child may enjoy looking for something that starts with "B" in the refrigerator, something that starts with "G" in the cupboard, something that starts with "T" under the sink, etc. If you want to provide visual reinforcement, print several letters (upper and lowercase) on small slips of paper and have a roll of tape available. Then, as your child locates an object starting with the requested letter, a letter label can be taped onto the object.
