

My Friend

Together Time

And for Me

Leaf through a magazine with your child. Scan the ads for descriptive words, read and discuss them together, and cut out the ones that might describe your child (one-and-only, better than ever, dazzling, fun, etc.). Provide a sheet of paper, crayons, and glue. Let your child draw a self-portrait in the center of the page and arrange the magazine words around the edges to make a "personal ad."

Hi,
With *Bailey's Book House*, we
have explored all sorts of
adjectives. You can have fun with
adjectives at home, too!

Love,
Bailey 

Rainbow of Colors

On a large sheet of paper, have your child draw a big rainbow (not colored in). Write a color word inside each band. Talk together about items that are red, for example, and let your child fill the red band with drawings of these items. Continue until all the bands are filled with drawings that match the color words.
